

The Wednesday Reader

September 26, 2018

Monday, October 1, is Deadline to Register for the FREE The 2018 New CTE Professionals Workshop

The Office of Public Instruction's Career and Technical Education Specialists will be conducting a **New CTE Professionals Workshop** on Wednesday, October 17, in Billings, prior to the start of the 2018 Montana ACTE Institute.

After completing a redesign of the event, this year's New CTE Professionals Workshop focuses on early-career professionals—specifically Career & Technical Education professionals within the first five (5) years in a Montana Career & Technical Education classroom. Additionally, Montana CTE professionals who have participated in the past are invited to attend to enhance their classroom skills and knowledge of Career & Technical Education.

This **FREE** professional development opportunity will provide teachers who are new to the classroom, as well as those with five (5) years or less of experience, with information on a variety of roundtable and breakout sessions essential for success in the career and technical education classroom including

- Perkins funding,
- State CTE funding,
- Advisory boards,
- Professional development organizations,
- Instructional strategies for the CTE classroom,
- Work-Based Learning
- CTE and program-area standards and guidelines, and
- Career & Technical Student Organizations.

The workshop will be held at the Billings Hotel and Convention Center ([1223 Mallowney Lane](#)) from 8:30 am to 4:15 pm. The training is free of charge and lunch will be provided for attendees. Up to six (6) OPI Renewal Units will be offered. Attendees are responsible for their own travel and substitutes.

Additional details about the New CTE Professionals Workshop, including a schedule of events, are currently posted on the Secondary CTE page of the OPI website (<http://opi.mt.gov/Educators/Teaching-Learning/Career-Technical-Education>) under the [CTE Updates](#) heading and can be downloaded via the following link:

<http://opi.mt.gov/LinkClick.aspx?fileticket=laiBYFs7zxo%3d&portalid=182>

Registration for the 2018 New CTE Professionals Workshop can be completed and submitted online at <https://www.surveymonkey.com/r/3SQ6YVN>. The deadline to register is Monday, October 1.

Please note, registration for the 2018 New CTE Professionals Workshop does not also include the Montana ACTE Institute. Registration for the Montana ACTE Institute must be submitted separately. Montana ACTE Fall Institute registration details can be found at <http://montanaacte.org/prodevel.shtml>.

Montana ACTE 2018 Fall Institute Early-Bird Registration Ends Monday—October 1

The Montana Association for Career and Technical Education, www.montanaacte.org, invites you to participate in this year's [Fall Institute](#) to be held in Billings, October 18-19, at the Billings Hotel and Convention Center.

The Montana ACTE's 2018 Fall Institute is the premier professional development event for all of Montana's Career & Technical Education professionals. This year's Institute features a welcome from ACTE President Rebecca Cox, keynote from [Andrew McPeak](#) entitled "Connecting with Generation Z", and both general and breakout sessions from [Youth Entrepreneurs](#).

Making a long-awaited return—the Montana Business Education Association Social will be held Thursday evening (7-9:30 pm), October 18, at [Last Chance Pub & Cider Mill](#) ([2203 Montana Avenue, Billings](#)). MBEA President Nicole Bogunovich invites all Montana business & marketing educators attend for beverages, conversation, networking, and patio games with other business teachers across the state.

Early-Bird registration for the 2018 Fall Institute is \$135 if paid before October 1, 2018. All new members and retired teachers will receive a \$67.50 registration discount. Complete registration details, along with an Agenda-at-a-Glance can be found in the 2018 Registration Packet montanaacte.org/prodevel.shtml.

Rooms can be booked at the Billings Hotel and Convention Center for \$95+tax using the Montana ACTE group ID either online at www.billingshotel.com or by calling 800.427.4809. The room block ends Tuesday, September 18.

NGPF PAYBACK Challenge: A Scholarship Opportunity for All High School Students

[Next Gen Personal Finance \(nextgenpersonalfinance.org\)](http://nextgenpersonalfinance.org) announces a scholarship opportunity for your students. The [NGPF PAYBACK Challenge](#) seeks to give your students the opportunity to earn scholarships while you simultaneously teach them to make better money decisions about college.

For details, please watch the NGPF PAYBACK Challenge 90-second video at <https://youtu.be/ACNRSTDehb0>.

How to participate in the PAYBACK Challenge

STEP 1: Teachers Register Intent—Once you've filled out this [Intent to Participate form](#), you will receive the Essay Template for your students as well as next steps.

STEP 2: Students Play [PAYBACK](#). *Do you have ELL students? [PAYBACK can also be played in Spanish](#).*

STEP 3: Students Write A Short Essay—Students choose between TWO prompts and write a 250-word essay. This serves as a great on-the-fly lesson plan or extra credit activity. ELL students are more than welcome to also submit their essay *en español, Tambien*.

STEP 4: Teacher Nominates and Submits ONE (1) student essay—You will receive an email with instructions on how and where to send in nominations AFTER you register (see STEP 1). Check out NGPF [blog post](#) for all the PAYBACK Challenge Rules & Regulations.

Prizes include 10 National Grand Prize Winners at \$5,000 each and 10 Honorable Mention Award winners at \$500 each.

Each state will be represented on the podium—that's right—NGPF is aiming to award scholarships to students from every state.

The deadline for submissions is the end of the day on Wednesday, November 14, 2018.

Helena College Hosting Two Events—Transportation Tuesday on October 30 & FABrication Friday, on November 2

Helena College is excited to announce two events for area high schools—[Transportation Tuesday](#) and [FABrication Friday](#).

Transportation Tuesday will be held on Tuesday, October 30 at the Helena College Airport Campus (2300 Airport Road, Helena).

Participants will get an up-close look at an impressive fleet of over-the-road diesel trucks, airplanes, helicopters, light-duty diesel and hybrid technology vehicles. See how alignment machines, dynamometers, and diagnostic tools are used to detect and repair electrical and mechanical problems. Learn how an airplane is weighed and repaired. Explore these transportation programs 9 a.m. to noon, then enjoy lunch provided by Reach Higher Montana.

After lunch, attendees will be treated to a choice of tours at nearby Aviation, Diesel, and Automotive Repair shops or dealerships, ending about 2:30 p.m.

To register for [Transportation Tuesday](#), please visit helenacollege.edu/admissions_enrollment/seminars_workshops.aspx.

FABrication Friday will take place on Friday, November 2, also at the Helena College Airport Campus (2300 Airport Road, Helena).

Experience the Fun of Fabrication: Get a feel for Computer-aided Manufacturing and Industrial Welding and Metal Fabrication AAS Degrees with hands-on activities that result in products you can take home. Enjoy lunch provided by Reach Higher Montana, then visit

Helena's Boeing Company, where you'll be treated to a 90-minute tour of the facility to see how the skills you've seen demonstrated are put to work making high-tech parts, such as landing gear for the new 777X Dreamliner.

Registration for FABrication Friday can be completed at helenacollege.edu/admissions_enrollment/seminars_workshops.aspx.

Groups of more than five students from one school must be accompanied by a high school staff member (whose substitute teacher costs will be reimbursed). Travel costs (buses) will be reimbursed.

Enrollment will be limited to 30 students per event; therefore, students may not register for both. However, these Career Exploration Events will be repeated Spring Semester.

For questions or for more information, please contact Jan Clinard at jan.clinard@helenacollege.edu or at 406.447.6951.

Montana High School Business Challenge Teacher Training & Refresher Webinars Next Week for Fall 2018 Edition

The key to getting your students to understand key business concepts is through hands-on activity. If you've not yet done so, consider this simulation designed to develop management, financial, marketing and critical thinking skills in a competitive, learning enhanced environment.

The Montana High School Business Challenge, sponsored by the Montana Chamber Foundation and administered by the Montana Council for Economic Education lets your students actively participate in a state-wide simulation as real entrepreneurs. The students manage the business of a Digital Music Player manufacturer, and many daily decisions face the students, including financial, ethical, legal, and competitive issues. It is a dynamic simulation that can be incorporated into many different class disciplines.

The state-wide competition runs eight weeks, beginning Wednesday, October 10 and concluding Wednesday, December 12. College scholarships are awarded yearly to the top three teams, as determined by an academic year-end playoff. The cost is \$15.00 per team.

Registering Teams for Fall Semester? Questions?: To register teams for the fall Business Challenge competition or if you have any questions, please contact Tim Alzheimer via e-mail, timalz@montana.edu, or by telephone, 406.994.2263 for further information. Team registration deadline is Wednesday, October 3.

Interested in Participating? First-time participants need to be trained prior to involvement in the Business Challenge by webinar training sessions which introduces the teacher to the concepts and procedures the simulation. It will be held on Monday October 1, and Tuesday October 2 from 4:30-6:00 p.m. If you are a first-time participant, or simply want to re-familiarize yourself with the fundamentals of the Business Challenge, please register online at <https://attendee.gotowebinar.com/register/6447579459513347851>.

Refresher Webinar For Past Participants: A webinar is scheduled on Wednesday, October 3, from 4:30-6:00 p.m. for teachers that have previously participated in the Challenge who want to refresh their skills and learn more about the simulation. This webinar is voluntary, and is open only to teachers that have previous HSBC involvement. Space is limited. The web address to register for this webinar is <https://attendee.gotowebinar.com/register/4424533039986985227>.

Register Today for the Fall 2018 Edition of the Stock Market Game

Want to facilitate learning that is exciting and fun for both you and your students? Those teachers that have participated know about the benefits of involving their classes in The Stock Market Game™ sponsored by the Montana Council on Economic Education (www.econedmontana.org).

The program is easy to administer, and teaches and reinforces these essential skills and concepts: Critical Thinking, Decision-Making, Cooperation and Communication, Primary Research, and Saving and Investing. Students use real internet research and news updates, making the simulation an even better mirror of the real marketplace. While the competitive gameplay creates student excitement, the educational experience delivers the biggest impact.

Cash prizes are also awarded for the top three teams. Participation fees are \$15 per team (5 students maximum per team) and scholarships are available if funds are limited.

Registering Teams for the Stock Market Game: Competition begins on October 9, and runs for 10 weeks, with December 14 being the final trading day.

To find out more information and register teams for competition, go to www.stockmarketgame.org, and click on the registration link in the center of the screen.

What students gain from The Stock Market Game™ program is a remarkable experience — and even more important, an education for life.

If you have any questions, please contact Tim Alzheimer at timalz@montana.edu or by telephone at 406.994.2263.

A [poster](#) and [brochure](#) can be downloaded to make sharing with students easier.

The deadline to apply is December 1, 2018.

Applications for the 2019 NCWIT Award for Aspirations in Computing are Now Open

For a number of years, the NCWIT ([National Center for Women and Information Technology](#)) has given national awards to high school girls. The NCWIT Award for Aspirations in Computing (aspirations.org/participate/high-school) is for young women with aspirations and achievements in technology and computing.

This year will be the seventh year that there also will be a Montana contest for Montana girls. The time to submit applications is September 1-November 5 and the application is found at www.aspirations.org/participate/high-school.

There are many qualified high school girls that would apply if they just had a little push from a leader like you.

Any interested female high school student would need to fill in the on-line application, and get a parent and a school official to approve it to be entered into both the national and Montana contests.

The Montana contest has had winners from high schools in Absarokee, Anaconda, Arlee, Beaverhead, Bozeman, Bozeman Petra, Broadwater, Butte, Cascade, Cut Bank, Great Falls High, Helena Capital, Helena High, Jefferson High, Libby, Missoula Big Sky, Missoula Hellgate, Missoula Sentinel, Noxon, Park County, Seeley-Swan, Simms, and Whitefish High Schools.

We hope your school will be represented on the winners list this year, but girls have to apply.

We are looking forward to recognizing Montana's talent, and hope that you would encourage the young women that you know to apply. Sometimes all they need is a little encouragement and you are the person to provide that.

For questions, please contact Steve Harper and Ted Wendt at Carroll College at 406.447.4466 or at sharper@carroll.edu.

P.S. There also is a Montana educator award—**with \$1000 for professional development**—given each year. Do you know a good teacher that you should encourage to apply (maybe you?)? Encourage them to go to www.aspirations.org/content/encourage-educator.

Need help applying? Complete application details, including an [application guide](#), [parent approval guide](#), and [endorsement guide](#) at www.aspirations.org/participate/high-school.

Congressional App Challenge 2018—Now Accepting Student App Submission until October 15

Students across the United States are invited to participate in the Congressional App Challenge, an opportunity to submit an original app to be judged by a panel of local leaders.

Members of the U.S. House of Representatives are hosting the district-wide Congressional App Challenges for middle school and high school students, encouraging them to learn to code and inspiring them to pursue careers in computer science.

Every year students are challenged to create and submit their original apps for a chance to win the Congressional App Challenge (CAC). Each challenge is district-specific. The U.S. Representatives publicly recognize winning teams and each winning app may be put on display in the U.S. Capitol Building for one year. Additional prizes may be available.

The Congressional Internet Caucus initiates the annual CAC.

It's free to participate.

3 Steps to Participate

--Register & learn more at CongressionalAppChallenge.us

--Design & build an original app

--Submit the app before **October 15, 2018**

For more information and to register individuals or teams, please visit www.congressionalappchallenge.us.

Breakout sessions will be held Thursday and Friday, April 11 and 12.

Montana ACTE Announces PSA Contest for CTE Month

The Montana Association for Career and Technical Education is excited to announce a CTE Month Public Service Announcement contest for Montana CTE students.

What is the goal?

To promote career and technical education by creating a video public service announcement (PSA) incorporating the CTE Month logo and 2019 tagline, "Celebrate Today, Own Tomorrow!"

Who can enter?

The contest is open to secondary and postsecondary CTE students in film and video production classes or in other CTE courses. Students may enter as individuals or as a group.

What do I win?

Montana ACTE will announce the winning PSA by **February 1, 2019**, and will notify the winners individually. The school CTSO that the winning student or team attends will receive \$500. The school that the second-place student or team attends will receive \$250. First- and second-place videos will be publicized on the Internet through Montana ACTE social media channels and shared with Montana ACTE's members to use during CTE Month in their schools and local areas. Winning PSA will be recognized at state CTSO events. **Note:** Winning entries must meet a score of a minimum of 70 to be considered.

What's required?

--Video entries must be 29 seconds in length.

--Entries must incorporate the CTE Month 2019 [logo](#) and 2019 tagline into the PSA video. [Email us](#) if you would like to request a different image format.

--Entries must incorporate the following message, presented as text on-screen and/or spoken by talent: "Learn more about career and technical education at www.ctemonth.org" and must display the CTE Month web address on screen: www.ctemonth.org.

--Successful entries will NOT say "learn more about Montana ACTE or ACTE" or reference the Association for Career and Technical Education by name in the PSA. The videos are not intended to be an advertisement for ACTE, but a PSA for career and technical education.

--Successful entries will use no other logos or web addresses in PSAs.

Entries that contain music, images, or other copyrighted media must be accompanied by proof that the creators of the entry have the expressed permission of the original copyright holder.

--Submissions must adhere to the technical specifications listed below.

Submitting your PSA entry:

--PSA submissions must be completed by **January 15, 2019 at 5 p.m. EST**.

--Sound cannot be over 0 dBFS.

--Videos must be submitted in .mp4 or .mov format.

--Videos must be in 16:9 aspect ratio.

--PSAs can be submitted in standard or high definition.

--In addition to the 29 seconds of video content, please include at the beginning of the video 5 seconds of black, followed by 5 seconds of bars and tones, and then a slate with the title, the name of your school and the year, **2019** (names of video creators and participants optional.) The slate should be on the screen long enough for it to be read comfortably by viewers.

--PSAs are to be submitted via [Dropbox](#). Participants should create a Dropbox account free of charge, upload their submission, and email the link to mbranger@huntley.k12.mt.us.

--Participants must submit a [talent release form](#) from each participant whose image and/or voice is used in the PSA. Students under 18 must have a parent's or guardian's signature on the form.

--To finalize a submission, email the video link and talent release forms to mbranger@huntley.k12.mt.us. A phone number and mailing address for at least one contact must also be provided. This contact can be the educator responsible for the students who submitted the video and the mailing address can be the school's.

Who will be judging my PSA?

PSAs will be judged by the Membership/Public Relations Committee of Montana ACTE, who will evaluate submissions according to an impartial rubric. The three highest scoring entries will be shown to Montana ACTE's Executive Board of Directors prior to 2019 Montana ACTE Fall Institute, and winners will be notified before the conference. All entrants are encouraged to share their PSA with their community, school and friends.

What's the fine print?

Montana ACTE retains the copyright on any submitted material and reserves the right to use the material in any way or format it sees fit. Montana ACTE is not responsible for lost, damaged, incorrectly encoded, incorrectly uploaded, mislabeled or misdirected entries. Entries will not be returned and will become the property of Montana ACTE. Entries cannot be used for any commercial activity.

Additionally, your use of the CTE Month 2019 logo and tagline for this PSA does not authorize you to use it for any other purpose. If you would like to use the logo and tagline for anything else, please read our [Logo Use and Restriction Agreement](#) and follow all regulations therein. If you would like to use the logo for a purpose not covered in that agreement, email us for permission.

Do you have any tips for my PSA?

The first step for making a great PSA is to learn about career and technical education (see the next section)! In addition, the winning videos for the CTE Month 2019 Video PSA Contest should strive to:

--Engage and inform about CTE in Montana.

--Show that CTE leads to a successful career for Montana students.

--Show the role of CTE in a strong national and state economy.

--Depict a variety of CTE fields in Montana.

--Depict the diversity of students involved in CTE in Montana.

--Show CTE as relevant to the general public

--Incorporate the CTE Month 2019 logo and tagline, the CTE Month web site address and the message about CTE Month as defined above (see the "What's required?" section above).

--Be technically well-made and suitable for broadcast on the internet.

How can I learn more about CTE?

Learn what CTE is and what kinds of courses it encompasses with ACTE's ["What is CTE?"](#) page and our [Fact Sheets](#). Learn about the effectiveness of CTE in preparing students for further education and careers. Learn how investment in CTE yields positive results for communities in Montana and around the country. Think about the role of CTE in the state economy: CTE students grow up to become highly skilled technicians, medical professionals, IT specialists, businesspeople, engineers and more. The career fields that CTE students prepare for are the career fields that keep our state and nation growing.

Can educators help with their students' projects?

Educators may advise students, but should not take a significant role in creating the PSAs. For more information or questions about submissions, please contact Mark Branger at mbranger@huntley.k12.mt.us or call 406.967.2540 x360.

2018-2019 Governor and First Lady Youth Leadership Council—Fight Childhood Hunger

The Governor and First Lady started their own Youth Leadership Council (YLC) a few years ago to encourage youth to get involved and create their own projects to end childhood hunger in their local communities. The Governor's Office of Community Service leads this effort and they're now accepting applications.

Twenty youth, grades 7-12, from across the state will be selected for the council to execute projects during Fight Childhood Hunger Week (April 8-12, 2019) aimed at building awareness, raising money, and feeding kids.

For the application, go to: serve.mt.gov/ServeMT/fight-childhood-hunger. The fightchildhoodhunger.com will redirect.

If you are interested in reviewing past projects, click on Fight Childhood Hunger Week in the left-hand menu.

The application deadline is October 5.

For questions, please contact Lisa Lee at llee@mt.gov.

EVERFI Announces 2 New Courses—The Compassion Project and Honor Code

EVERFI (everfi.com) is pleased to announce two new courses just in time for the 2018-2018 school year—[The Compassion Project](#) and [Honor Code](#).

[The Compassion Project](#) is the first comprehensive, no-cost program designed to help educators facilitate lessons around fundamental Social Emotional Learning (SEL) skills. This 15-week curriculum combines engaging animated videos, classroom-based lessons, and digital activities into a toolkit that any educator can use. [The Compassion Project](#) is designed for students in grades 2-4 and contains 15 standalone lessons, each approximately 20 minutes.

Positive school climates are critically important for students to achieve their full academic and personal potential. But bullying can negatively impact students' sense of social, emotional and physical safety – key components of a positive school climate. [Honor Code](#) takes a practical approach to bullying prevention by empowering students to create change, whether they're engaging in bullying, on the receiving end of it, or witnessing it in their school. [Honor Code](#) helps them identify their unique talents, grow their resilience in the face of adversity, and build strong connections with others. The same skills students learn to discourage bullying today can also help them become the influential leaders of tomorrow.

[Honor Code](#) is recommended for use with students in grades 8-10 and includes six standalone lessons, taking approximately 10 minutes each.

As always, [all EVERFI resources](#) are available to Montana teachers **at no cost**.

Reach out to Sean Thomas at stomas@everfi.com for more information.

2019 U.S. Senate Youth Scholarship Program Now Accepting Applications for March 2019 Event

The [2019 U.S. Senate Youth Program Scholarship](#) is sponsored by the [William Randolph Hearst Foundation](#) and administered by the Office of Public Instruction.

The William Randolph Hearst Foundation believes it is in the public interest to encourage outstanding young people to continue their educational development. To this end, the foundation will make available to each of the 104 delegates selected to participate in the program a \$10,000 college scholarship award for undergraduate studies, subject to specific conditions and requirements.

The United States Senate Youth Program will be held in Washington, D.C., March 2-9, 2019. The William Randolph Hearst Foundation pays all expenses for the Washington Week, including transportation, hotel accommodations and meals. The military services will provide specially selected men and women officers to serve as escorts. Click [USSYP 2018 Yearbook](#) to experience the 2018 Washington, D.C., trip.
